About us and our investment choices

This plan is issued and administered by The Canada Life Assurance Company. Please refer to the documents you received from us or your plan administrator.

Guaranteed investments earn interest at guaranteed rates. Values shown for guaranteed investments are not necessarily the amount you would receive were you to make a withdrawal prior to the end of the guaranteed term. Early withdrawal fees and adjustments may apply. Maturing guaranteed investments are automatically reinvested for the same term as originally selected unless other instructions are received.

The value of investment funds may fluctuate depending on market conditions, and are not guaranteed. There are fees associated with investing in these funds, which are available from Access Line and GRS Access. These fees can also be found in documentation that you received from your plan administrator as well as details of the various features and provisions of your group retirement plan (e.g. transfer options).

Please review your statement

This statement reflects the latest data we have on record, including all transactions effective up to and including the end of the statement period, processed between your last statement date and Oct 2, 2020.

The change in the market value of your investments includes interest earned on guaranteed investments, and the increase or decrease in the value of investment funds.

Please carefully review this statement against your own records and advise us of any discrepancies within 60 days of receiving this statement. Any discrepancies reported within that time may be adjusted to the original date in the statement period. Discrepancies reported to us after the 60-day period may be adjusted effective on the date you notify us. Retain this statement for income tax purposes.

Reaching us is easy

Our website, GRS Access, offers quick access to educational information and details on your personal account, such as transaction details and maturing investments, if applicable. As well, there's information on investment options, such as Fund Reports, net unit values and rates, fees, etc. If you prefer to manage your finances by phone, you can call our toll-free, automated phone service, Access Line, to transfer assets between funds, change your future investment instructions, check your plan balances and much more. Please refer to your plan information to learn more about what's available to you, as investment options and services can vary by plan.
